

21 Things to do this Weekend (Aug 07 – Aug 09)

A slightly less warm weekend, compared to last weekend, is ahead for us. We will “only” have a high of 80 degrees and will actually reach a low of 59 degrees. Don’t worry, it’s not a sign that the season is beginning to turn – Fall does not officially arrive until September 23rd. Other than a chance of a shower on Saturday, it’ll be dry. Sunday will be the perfect day of the bunch, being breezy and 76 degrees.

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month.
