

10 Things To Do This Weekend (Dec 27-Dec 29)

Though Winter has officially begun, this weekend won't be winter-like at all! We will only dip into freezing temperatures for a short time on Friday and Sunday mornings, but for the rest of the weekend we will enjoy temperatures in the mid-40s. Flannel and jeans for us! Though, it appears we may see a bit of rain on Sunday with a 70% chance of precipitation. Considering we has a few snow days this Autumn, to have a rain day in the Winter is just fine.

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide?
