

11 Things To Do This Weekend (Nov 01-Nov 03)

All together now: B00000! Not because of Halloween that just passed, but because of the wet weather we have in store this weekend! 100% chance of rain

Friday, 30% chance of rain on Saturday morning and 10% chance on Sunday. Friday and Saturday will be in the mid to upper 60s, but Sunday will be very cool with a high of 49 degrees.

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide?
