

# 11 Things to do this Weekend (Jan 01 – Jan 03)

While we may go a little below freezing temperatures overnight this weekend with a chilly 28 degrees, we'll enjoy temperatures in the low 40s and loads of sunshine. While Floridians may gasp at the idea of enjoying temperatures in the 40s, there will be plenty of us with shorts and/or a t-shirt. All we need is sunshine! New Year means celebrations and new beginnings. So head out on the South Coast and enjoy the many goings-on!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide?
