

14 Things To Do This Weekend (Mar. 03 – Mar. 05)

Only the most die-hard New Englanders will wear their shorts this weekend because some arctic wind will be blowing in. This cold breeze will make already cold temperatures – in the 20s – drop to single digits, even negatives in some places in the state. The good news is that in spite of the cold, it will be sunny the vast majority of the weekend. Saturday will not crack 22 degrees in terms of temperatures, but Sunday will be much “warmer” with a high of 32 degrees. You can wear your shorts on Sunday.

Lastly, a piece of very important advice in light of recent sad news: beware of carbon monoxide when running heaters and please take precautions.

SATURDAY MAR 4	SUNDAY MAR 5
	
22°/9°	32°/16°
Sunny, windy and colder	Sunny, breezy and not as cold

Friday, March 3rd

**2nd Story Theater presents: "Murder at the Howard Johnson's"
(7:30pm-9:30pm)**

After a particularly bruising election year, 2nd Story Theater offers a pain-reducing balm in the form of Bobrick & Clark's shamelessly silly, ferociously funny farce. In a line-up that promises "the ridiculous to the sublime," this kitsch '70's comedy classic serves up the ridiculous. In spades. Thank God it's sandwiched between a Pulitzer Prize- and Tony Award-winner, otherwise we'd never be able to show our faces in this town again! For information: boxoffice@2ndstorytheatre.com or 247-4200.
