

# 14 Things To Do This Weekend (July 14 – July 16)

This past week has been very humid and this weekend will be no different. As someone who used to live in Florida, I can say it is very reminiscent of certain times of the year there. It will be unbelievably humid, a rain shower will appear around mid-day for about 20-30 minutes, then everything would dry up like nothing happened...then back to the stickiness. While we won't have Florida like temperatures this weekend, we will have the occasional showers and humidity everyday except Sunday.

FRIDAY JUL 14	SATURDAY JUL 15	SUNDAY JUL 16
		
68°/62°	78°/63°	80°/64°
Cloudy, showers; cooler	A thunderstorm around	Sunny and humid
