

# 14 Things To Do This Weekend (Sep 19-Sep 21)

Well it's that time of year where the weather begins to turn. Has it seemed like this year's summer passed especially fast? I never lugged my air conditioner down from the attic. Fast and mild. Autumn means cool mornings and evenings, but pleasant days. Luckily for us that means the only thing stopping you from a event filled weekend is a sweatshirt, hoodie or thermal shirt. Autumn is a time jam packed with festivals and other events, so gear up and head out there!

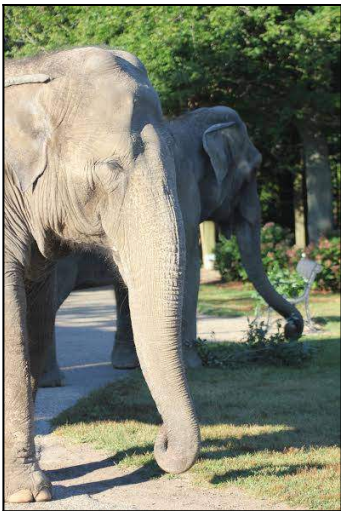

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide? Contact [info@newbedfordguide.com](mailto:info@newbedfordguide.com) for more details. Have an event to add? Check out our [tutorial](#). For more info, you can click on each title. Know of another event this weekend? Post a reply!
