

15 Things to do this Weekend (Feb 27 – Mar 01)

While we will still have frigid temperatures this weekend, at least we won't have negative temperatures! This is like a heat wave! But, wait... it gets even better: there is no snow forecasted for this weekend! That means no shoveling, scraping or snowblowing. It's like a vacation. Saturday will be the best day out of the lot with plenty of sunshine and a balmy 26 degrees. Swimsuit weather!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide?
