

16 Things To Do This Weekend (March 9 – March 10)

A pretty darn fantastic weekend is ahead for us. While the mornings are normal for winter – below freezing – the days will warm up into the 40s. Snow? Nope. Rain? Nope. Plenty of sunshine and a little bit of the wind that we've been getting these past few weeks on Saturday. Otherwise, if you've been itching to get outdoors, walk a trail, go for a hike, or just get out – this is the weekend to do it!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide?
