

17 Things To Do This Weekend

(Sep 05-Sep 07)

We seem to be stuck on “muggy, muggy” lately. This weekend won’t bring much of a change in terms of humidity. Let’s not complain, because I’d rather have humid than freezing! Friday and Saturday will be war, and in the low 80s. However, Sunday will “drop” to 74 degrees. It’ll be pleasant in terms of temperatures, but both Saturday and Sunday could have some rain. But that won’t stop us from enjoying all the things to do on the South Coast, right?!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide? Contact info@newbedfordguide.com for more details. Have an event to add? Check out our [tutorial](#). For more info, you can click on each title. Know of another event this weekend? Post a reply!
