

19 Things to do this Weekend (Mar 06 – Mar 08)

If you are as sick of snow as we are, you will be ecstatic to find out that there is NO SNOW this weekend. Assuming of course, that the weatherpeople are on their “A” game. Since your back can recover from all the shoveling, you’ll be able to head out throughout the South Coast and partake in the fun activities and events. We’ll have mildly cold temperatures, but considering how many days with negative temperatures we’ve had recently, these temperatures are a heat wave!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide? Contact info@newbedfordguide.com for

more details. Have an event to add? Check out our **tutorial**. For more info, you can click on each title. Know of another event this weekend? Post a reply!
