

# Acushnet Police seek public's help in identifying suspect in Country Hardware theft

"We need your help identifying the suspect! On 6/26 police units were dispatched to Country Hardware for a report of a larceny. A paying Customer came in to pick up a chain saw that they had left for repairs.

Unfortunately, the workers could not locate it.

The surveillance video was checked. The "gentleman" shown in these pictures had pulled into the Country Hardware parking lot on Monday 6/24 @ approximately 2:00 PM. The suspect entered the garage empty handed and exited with a chainsaw. The only problem...this wasn't his chainsaw!!!! The suspect then took off in a motor vehicle.

The motor vehicle appears to be a late model Oldsmobile Alero or Intrigue.

If you know this person please call the APD (508) 998-0240!!"  
-Acushnet Police Department.
