So, You Think You Know The South Coast? Let's Find Out!

Henry Quinlan, a man with a long history in book publishing while raising a family on the South Coast, has released this trivia book with his granddaughter, Caroline Murphy, who captained the soccer and track teams at Old Rochester, was the book's photographer.

Quinlan packs this paperback with more than 150 pages of facts, folklore, trivia and treasures that the region has to offer, creating a mini travel guide of sorts to plenty of forgotten spots of historical importance.

With chapters dedicated to each city and town from Acushnet to Westport (or Fall River to Wareham if you prefer geographically over alphabetically) you'll learn those hidden tidbits that contribute to the distinctness of each city or town and make for great dinner party fodder.

In his latest book on the South Coast, Quinlan's trivia ranges from well-known facts to lesser-known insights. And of course, all the icons of the South Coast, past and present, make appearances. Murphy's photographs will test your knowledge of buildings and objects, some of which you might notice regularly but have never learned the story behind.

The book features special sections on fishing, cranberries, notable women, folklore and concludes with Quinlan's personal picks for the most amazing Treasures of the South Coast.

What are they? You'll have to pick up a copy to find out. To purchase a copy visit [Amazon](#) or [Omni-Pub.com](#) where right now you can get **two copies for just \$15.**

Bask, Inc. Announces 4th Annual Food Drive for Veterans

Donations will be accepted November 1 – November 21 at Bask

Bask, Inc. ("Bask"), a locally owned cannabis dispensary in Fairhaven, Massachusetts, has announced plans for their 4th annual Food Drive for Veterans.

Donations will be collected at Bask's adult-use and medical dispensary between Monday, November 1st, 2021 through Sunday, November 21st, at 2 Pequod Road in Fairhaven, MA.

Bask, which is Veteran owned and operated, continues its commitment to the community with donations going directly to the Veterans Association of Bristol County (VABC). The VABC provides resources including a food pantry, counseling services, and support to the area's Veteran population.

"This will be our fourth donation drive for Veterans since opening Bask in 2018 and we hope it will be our biggest yet," explains Bask CEO and Veteran, Chapman Dickerson. "Our goal is to collect enough food to help Veterans enjoy a nice meal on Thanksgiving."

"As a company, we are committed to helping those in our community. For those who have served our country, it's our turn to give back," says Dickerson.

Bask will be collecting non-perishable food, hygiene products, and grocery store gift cards at the dispensary located at 2 Pequod Road in Fairhaven. Donations can be dropped off at either entrance during regular business hours. The medical entrance is open from 9am to 7pm and the adult use entrance is open from 9am to 9pm daily.

Bask has been serving registered medical patients at the Fairhaven dispensary since 2018. The multi-award-winning cannabis dispensary, cultivator, and manufacturer was named Best Dispensary in 2019 by south coast residents and recently expanded its cannabis retail operations in Fairhaven with the addition of recreational sales to adults 21 and older in February of 2021.

About Bask, Inc.

The founders of Bask are experienced medical cannabis cultivators, educators, and advocates. The team came together over a shared vision to create an environment where patients could learn and have safe access to quality products. Bask opened its doors to medical patients in February of 2018 as the first cannabis dispensary on the South Coast of Massachusetts. In February of 2020, the company moved its cultivation and processing operation to a state-of-the-art greenhouse facility in Freetown, MA in partnership with AmeriCann, Inc.
