

2018 Feast Committee Elects New Officers

With the dust of the 2017 Feast still settling, the members of the new Feast committee gathered recently to elect the top officers of the committee who will serve as the Executive Board through the coming months until the end of the next celebration. As the months tick by, special sub committees will be formed for entertainment, vendors, souvenir book, parade, road race, Internet, souvenirs, and others.

The new Feast President will be Arthur Agrella, who served as the vice-president of the 2012 committee and has continued to work every year in a number of different capacities. Lou Teixeira, President of the 2012 Feast was elected Vice President for the new Feast in 2018.

Ian Abreu was voted Treasurer, Kevin Agrella will be the new Corresponding Secretary and Dennis Agrella will be the Recording Secretary for 2018. All new officers will be coordinating meetings to make certain the Feast of the Blessed Sacrament continues to be one of the signature events of New Bedford in the new year.

When reached for comment, Feast President Agrella said, "There are many mountains of work to be done, and I have a good feeling about the committee I will be working with . . ."

Faces Of New Bedford #119: Nelson Linhares

Meet Nelson Linhares, 42-year-old financial coach.

Nelson grew up in the south end of the city and knew that one day he wanted to get into business. After high school he got a business degree from UMass Dartmouth but due to the events of 9/11 and the market crash that followed, he couldn't find a job.

Having quite a few teachers in his family, he felt inclined to go into education. He began as a substitute teacher and eventually became a full-time math teacher at NBHS. Although

it was a fulfilling job, after 7 years of being a math teacher, he really wanted to pursue a more flexible schedule to spend time with his family.

He began work as a financial advisor and educator part time and before he knew it, he had left his position as a teacher to pursue this career path. After 12 years he has been able to open two offices, one in Mansfield and the other which recently opened in downtown New Bedford. His hope is to be able to educate not only adults in the community on better ways to save and invest their money, but impart that education on the next generation.

Faces of New Bedford is a project by Colton Simmons. If you are interested in booking a shoot or getting prints from the series email all inquiries to colton@coltonsimmons.com.

Zeiterion presents unique vaudeville breakout star of America's Got Talent – "Tape Face" on October 19

The Zeiterion Performing Arts Center welcomes Tape Face, one of the most original theatrical comedic performers to come along in a generation, on Tuesday, October 10 at 7:00pm. After

making waves in the United Kingdom and his native New Zealand, he came to America's attention on the eleventh season of America's Got Talent, where his unique blend of prop comedy and vaudeville took him to the finals. His hilarious, wordless performance prompted AGT judge Simon Cowell to proclaim that Tape Face is "a modern Charlie Chaplin." Tickets for Tape Face range from \$25-\$35 and can be purchased by calling 508-994-2900, online at www.zeiterion.org, or at the Zeiterion Box Office at 684 Purchase Street in New Bedford. Group sales for select shows are available for 10 tickets or more, which can be purchased by calling 508-997-5664 x123.

Taking to the stage with a piece of gaffer tape across his mouth, Tape Face, whose real name is Sam Wills, brings silent comedy into the 21st century. His act, which frequently involves members of the audience, makes use of everything from plungers to oven gloves to create bizarre and strangely beautiful routines. During his time on America's Got Talent, he dueled against an audience member with staple guns and balloons, and brought judge Heidi Klum up on stage to recreate the pottery scene from Ghost with some silly putty. The Age described his act as "...astonishingly innovative comedy – never has a comedian had so much success with audience participation. Surreal, charming and absurd."

Though Wills didn't make it into the Top 5 on AGT, he was a fan favorite who progressed all the way to the finals of the television competition. His performance – with his trademark tape, black-rimmed eyes and spiky hair –has reached viral status at over 28 million views on YouTube. While his act challenges description, Broadway World UK summed it up as "if Charlie Chaplin and Edgar Allan Poe wrote a show: mad, macabre and magical."

Hailing from Canterbury, New Zealand. Wills started his performing career as a busker in Christchurch and won the Press People's Choice Award at the World Buskers Festival in 2008. He used the prize money to develop his hit show "The Boy

with Tape on his Face,” which sold out around the world. Wills has packed theaters in Britain, enjoyed several sell-out runs at the Edinburgh Fringe, and performed at the Royal Albert Hall. His many awards and nominations include Adelaide Fringe Awards for “Best Comedy” and “Pick of the Fringe.”

The Zeiterion Performing Arts Center is a non-profit organization with a mission to provide New Bedford and the region with performing arts programming of excellence that inspires, educates, engages and entertains. Tickets are available for purchase at www.zeiterion.org, by calling 508-994-2900, or in person at the box office at 684 Purchase Street, New Bedford, Mass. Zeiterion Box Office hours are Monday, Tuesday, Wednesday and Friday, 10:00 a.m. to 5:00 p.m., Thursday 10:00 a.m. to 7:00 p.m., Saturday 10:00 a.m. to 3:00 p.m., and two hours before each performance.

16 Things To Do This Weekend (Sep. 08 – Sep. -10)

Outside of a little rain on Sunday, what a pleasant weekend we have in store in term of temperatures. We will hover around what is in my opinion the perfect temperature: 70 degrees. The mornings and evenings will be conducive to either rallying

around a bonfire or snuggling with your favorite person or people...or furry friend. Sunday's rain? Just a passing shower – otherwise it will be a sunny day.

FRIDAY SEP 1	SATURDAY SEP 2	SUNDAY SEP 3
		
69°/43°	69°/55°	72°/59°
Mostly sunny; breezy, cooler	Partly sunny and beautiful	Mostly cloudy, rain ending

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide? Contact info@newbedfordguide.com for more details. Have an event to add? Add it [here](#). Know of another event this weekend? Post a reply!

Friday, September 8th

Pirates & Privateers Presentation (Fairhaven) (10:00am)

Hear tales of pirates, Revolutionary War era privateers, and historical Fort Phoenix, presented by Greybeard, an 18th century gunner from the privateer sloop Broome, Abigail Black, a ship's doctor who grows herbal remedies in her village garden when she's not at sea, and Andrew the Powder Monkey, a boy who knows how to load and fire a cannon. Learn which things really just myths based on fiction, the difference between pirates and "legal" privateers, and why grog wasn't all it's cracked up to be.

Spraying for mosquitoes planned in New Bedford for Sept. 7

The New Bedford Health Department, working closely with the Bristol County Mosquito Control Project and the Massachusetts

Department of Public Health, is again this year conducting an annual monitoring program to track the potential threat from EEE and WNV carrying mosquitoes. Under the program, mosquito traps are put in place to collect pools of mosquitoes and mosquito populations are monitored throughout the summer months.

As part of the mosquito tracking program, the New Bedford Health Department will request that the BCMCP target key areas of the New Bedford for spraying, including public parks and locations that host large public events.

As such, the Bristol County Mosquito Control Project will conduct targeted ground spraying for mosquitoes early on the morning of Thursday, September 7, 2017. This round of spraying will target areas including Buttonwood Park, Brooklawn Park, Fort Taber, Hazelwood Park, Riverside Park, Clasky Park, Ashley Park, the Poor Farm area, and the Downtown area. Spraying will take place between 2:00 am and sunrise on Thursday morning, weather permitting. Residents in the vicinity of the targeted areas may wish to close their windows the evening prior to the spraying.

The Bristol County Mosquito Control Program will complete its spraying program for the season this week. With cooler overnight temperatures, mosquito surveillance is less effective and the small numbers of mosquitoes trapped are not indicative of actual risk. While spraying is no longer an effective tool in reducing the threat under current temperature conditions, other precautionary measures remain effective.

Though populations are declining as we move away from mosquito season and into colder weather, it remains important to take precautions to prevent mosquito bites. Residents are urged to apply mosquito repellent and use clothing to reduce exposed skin.

The risk of mosquito-borne illness typically extends until an area has experienced a hard frost. A hard, or killing frost is defined meteorologically as two consecutive hours of temperatures below 28 degrees Fahrenheit. This will occur at different times for different communities, and there may even be variation within communities based on local geography. Although mosquitoes are not killed until a hard frost occurs, they are extremely unlikely to be active when temperatures fall below 50 degrees in the evening. These conditions are being experienced throughout the region.

The same precautionary measures are advised for EEE, WNV, and the Zika virus. These include the following:

Avoid Mosquito Bites

Ø Be Aware of Peak Mosquito Hours – While mosquitoes are out at all hours of the day, their peak biting times are from dusk to dawn. Consider rescheduling outdoor activities that occur during evening or early morning. Otherwise, take extra care to use repellent and protective clothing, especially if you work or spend a lot of time outdoors.

Ø Clothing Can Help Reduce Mosquito Bites. Although it may be difficult to do when it's hot, wearing long-sleeves, long pants and socks when outdoors will help keep mosquitoes away from your skin.

Ø Apply Insect Repellent when you go outdoors. Use a repellent with DEET (N, N-diethyl-m-toluamide), permethrin, picaridin (KBR 3023), IR3535 or oil of lemon eucalyptus [p-methane 3, 8-diol (PMD)] according to the instructions on the product label. DEET products should not be used on infants under two months of age and should be used in concentrations of 30% or less on older children. Oil of lemon eucalyptus should not be used on children under three years of age. Permethrin products are intended for use on items such as clothing, shoes, bed nets and camping gear and should not be applied to skin.

Mosquito-Proof Your Home

Ø Drain Standing Water – Mosquitoes lay their eggs in standing water. Limit the number of places around your home for mosquitoes to breed by either draining or getting rid of items that hold water. Check rain gutters and drains. Empty any unused flowerpots and wading pools, and change water in birdbaths frequently.

Ø Install or Repair Screens – Some mosquitoes like to come indoors. Keep them outside by having tightly-fitting screens on all of your windows and doors.
