At about 6:05 PM on Thursday, officers assigned to District D-4 (South End) responded to a radio call for a person with a knife in the area of 1255 Boylston Street in the Fenway area.

On arrival, officers were directed to a male standing in the middle of the street with a box cutter in his hand. Massachusetts State Police and Wareham Police arrest 62-year old New Bedford man and fugitive from Florida

In late May, the Wareham Police Department requested the public’s assistance in solving a break and entering which had occurred in the parking lot of Target.

On June 11, a second vehicle was broken into at the same location, and Wareham Police Detectives were able to identify a suspect. The detectives obtained a warrant, and arrested the man on Thursday morning June 18, in New Bedford.

Assisting the detectives were members of the Massachusetts State Police Violent Fugitive Apprehension Section and the Massachusetts Parole Warrant Team.

Arrested on the warrant was Marcellino Alves (62), of Braley Road, New Bedford.

At the same time detectives were in New Bedford, Sergeant Daniel Flaherty, Juvenile Detective Karl Baptiste, and Officer Calib Larue went to an address on Agawam Beach Road to arrest an individual wanted in the State of Florida.

At the home, they observed a male sitting in a car that they believed to be the wanted man. When they approached him, he provided a false name and refused to step from the vehicle. The officers ordered him out and he was placed under arrest.

Leonard Cinquergrano (74), of 11 Agawam Beach Road, Wareham was arrested and charged with being a fugitive from justice.

Bristol County inmates test positive for COVID-19 bringing total to 5 this week

Four of those inmates are currently being housed in medical isolation. One was released as the individual's sentence was concluded. Before being released, the BCSO notified the person picking them up from the correctional facility as well as the state Department of Public Health, which in turn notified the local health department of the community the individual is returning to.

The five positive cases reported since June 12 brings the

total number of county inmates to test positive to 47. Of those 47, 30 have recovered and returned to general population while five have been released as their sentences were concluded. Twelve, including the five new cases mentioned above, remain in medical isolation and are being closely monitored by the medical team.

No Bristol County staff members tested positive for COVID since June 12. Four staff members remain away from the facility recovering from COVID-19 while 37 have returned to duty. One staff member, a health care professional from Correctional Psychiatric Services, left the BCSO after recovering to take a different position at a health care facility in Dartmouth.

All inmates currently in medical isolation, and all staff members currently away from the facility recovering, are expected to make full recoveries over the coming weeks.

Over the past few months, the Bristol County Sheriff's Office has instituted many protocols to protect inmates, detainees and staff from the Coronavirus outbreak. Some of those measures include:

- All employees, detainees and inmates were issued masks that must be worn inside the secure perimeter of the facilities.
- All areas of the facilities are being cleaned/disinfected every day on every shift.
- All staff members are being screened before entering the buildings; new arriving inmates are being screened before being accepted into custody.
- In-person visitation has been suspended to limit the number of people coming in and out. It will resume, hopefully soon, based on guidance from the Governor's Office, DPH and CDC.

Wareham Police respond to incidents involving assault and battery, traffic and narcotic charges

On Tuesday evening, June 16, Wareham Police received information that there had been an altercation between two groups of males on Station Street near the conservation area. During the incident a vehicle was struck and damaged with a baseball bat, as well as a male being pepper sprayed. All parties had already fled the area prior to police arrival; however two suspects were identified after a brief investigation.

At about 8:45 p.m. Officer James White observed the suspects in a vehicle on Cranberry Highway near Main Avenue. With the assistance of Officer Charles Pillsbury the car was pulled over and both subjects were placed under arrest. In addition the officers located and confiscated a digital scale, over \$3,000 in cash, and a baseball bat in the vehicle.

Hector Flores (19), of 115 High Street, Wareham, is charged with vandalizing property and violation of a harassment prevention order.

Tyler Noe (19), of 528 Gatehouse Drive, East Wareham, is charged with assault and battery with a dangerous weapon.

Later at about 10:00 p.m. Lt. John Gerard was traveling on Cranberry Highway near Route 195 when he observed a vehicle fail to stop at a red light. The lieutenant attempted to stop the vehicle; however the vehicle did not pull over, forcing

Wareham officers to initiate a pursuit. After a few minutes Lt. Gerard ordered all units to stop pursuing the vehicle. About 15 minutes later Marion Police Sgt. Jeff Habitch located the vehicle off of Point Road in Marion. Wareham officers responded to assist and the vehicle sped off again, however Wareham Police Sergeant Kevin Reilly was able to deploy “stop-sticks” disabling a tire on the suspect vehicle. For several more minutes officers followed the vehicle and aided by the “stop-sticks” were able to deflate all of the tires. The vehicle was successfully stopped on County Road near White Pine Avenue; however the operator of the car refused to exit the vehicle.

Wareham officers were forced to smash a window on the car, and the suspect was placed under arrest after being guided from the car by Juvenile Detective Karl Baptiste and Officer Eric Machado. Assisting in the arrest and pursuit were Officers Charles Pillsbury, Blaise Lalli, and Michael Phinney.

Danye Thomas (49), of Wareham, was arrested and charged with, reckless operation of a motor vehicle, failure to stop for police, speeding, fail to stop at a stop sign, and operation of a motor vehicle after suspension of his license.

Governor Baker declares June 19th as “Juneteenth Independence Day” in Massachusetts

Governor Charlie Baker today issued a proclamation declaring June 19, 2020 as “Juneteenth Independence Day” in the

Commonwealth of Massachusetts. Celebrated each year on June 19th, Juneteenth commemorates the end of slavery in the United States, and is an opportunity to reflect on the need to continue working toward racial justice.

“Juneteenth is a chance for us all to reflect on this country’s painful history of slavery and the systemic impact that racial injustice continues to have today,” said Governor Charlie Baker. “It is also an opportunity to recommit ourselves to the goal of creating a more equal and just society. As our country continues the national conversation around racial injustice, it is especially important that we recognize Juneteenth. I look forward to working with our legislative colleagues to recognize this important day more widely going forward.”

“Juneteenth celebrations in Massachusetts and across the country mark an important moment in our country’s history and afford us a chance to reflect on the need to make progress toward racial equality,” said Lt. Governor Karyn Polito. “That reflection is more important now than ever, and we are glad to mark Juneteenth with today’s proclamation.”

Juneteenth is recognized each year on June 19. On that day in 1865, Major General Gordon Granger and his Union troops landed in Galveston, TX and announced that the Civil War had ended. Major General Gordon read a proclamation declaring that all enslaved people were free. The first Juneteenth was celebrated a year later in Texas and today is recognized across the country to mark this important milestone.

M.G.L. Chapter 6, Section 15BBBBB states, “The governor shall annually issue a proclamation setting apart the nineteenth of June as Juneteenth Independence Day, to be observed on the Sunday that is closest to June 19th of each year, in recognition of June 19, 1865 when Union General Gordon Granger announced freedom for all slaves in the Southwestern United States and in recognition of the end of slavery in the United

States as well as the significant contributions individuals of African descent have made to the Commonwealth and to the United States and recommending that said day be observed in an appropriate manner by the people.”
