

New Bedford and Weymouth come together to create a small Christmas miracle

“Just a big thank you post!

To say I am over the moon ? would be a huge understatement. It's a Christmas miracle for this cutie pie. The bike has been returned!!

I want to give a HUGE shout out to the Weymouth community. All the messages, texts, donations, offers, and kind words. All the tips paid off. Weymouth tips lead me to New Bedford and from there the New Bedford community got involved. Two towns so far apart coming together to help.

FaceTime and messages from New Bedford community wanting to help. Everyone still has my word you all will remain anonymous and I love you all to pieces!! Right down to the young gentlemen who drove down and picked it up. THANK YOU. As I said in the beginning we truly just wanted the bike back. It was a needle in a haystack but (WIE) did it.

Peace from above babe. We got it ? and We miss you so much!
