

# Big Value Outlet to close its Dartmouth location permanently

*Owners Dave and Jan Tatelbaum to retire.*

"All good things must come to an end and one of those things is Big Value in Dartmouth.

David Tatelbaum, President of Big Value stated "It is time for my wife Jan and I to retire. My father opened this store as a Mars Bargainland in 1965, we reopened as Big Value in 1990 and we have been here every day ever since bringing our loyal customers a unique selection of goods always at the lowest prices." We love our customers and employees, many of whom are like family. We are going to miss seeing all of you every day."

"This was a difficult decision for us because Big Value has been part of the community. "Right now, the store is filled with a great selection of merchandise. But we have already stopped making any further purchases, so this is your last chance to shop Big Value. We are going to close once everything in the store is sold."

So come on down to Big Value, buy the things you love and help us celebrate our retirement.

Let us say thank you to all our customers and employees for all the wonderful years together."
