

Bishop Stang High School's Annual Thanksgiving Drive Feeds Over 300

The Student Council at Bishop Stang sponsored the annual Thanksgiving Drive to provide dinner for families in the community. Homeroom representatives collected non-perishable food items; Student Council members carved the turkeys, peeled potatoes and delivered the meals; and parents and faculty helped cook the turkeys. Donations were received from the Melissa Duarte Foundation and Club Madeirense S.S. Sacramento, Inc.

This year, Student Council was able to assemble 20 Thanksgiving dinner baskets for St. Vincent's Home in Fall River and feed over 300 people with donations of food to Catholic Social Services. We are blessed to be able to continue the tradition every year because of the generosity of our donors and volunteers.
