

# **Boston Bruin Brad Marchand visits Massachusetts Environmental Police office**

"Boston Bruin Brad Marchand came by MEP's Boston Registration Office to conduct business yesterday.

While there, the Stanley Cup champ took time to talk with staff members, sign autographs, and snap some photos with our team.

A big thank you to Mr. Marchand for taking the extra time out of his day to spend with our staff and for providing them with a very memorable day at the office."-Massachusetts Environmental Police.
