

# **Boston Police Department recruit class passes important training and education milestone**

**"MILESTONE ACHIEVED:**

Earlier yesterday, Boston Police Department Academy Class 61-21 reached an important milestone in their training and education on their way to becoming police officers.

On Wednesday, October 13, 2021, Academy Staff replaced the recruits' white Guidon flag with a blue one blue Guidon Flag. The blue Guidon flag, emblazoned with their class number, has come to represent a breakthrough in the class's training, symbolizing class unity and solidarity.

Congratulations to the recruits of Class 61-21 for reaching this achievement as they continue forward on their journey!"- Boston Police Department.
