

Bristol County District Attorney Quinn sworn in for another 4 years at Fall River school

"At Bishop Connolly High School in Fall River, DA Quinn was sworn in for another four-year term by Judge Paul G. Pino.

We would like to thank Principal Kathleen St. Laurent and all the students who joined us for this special event. We'd also like to thank Alexa Cahill for her stirring rendition of the National Anthem, Fr. Jay Maddock for his benediction, Fr. Rob Nemkovich for his invocation, Assistant Chief Court Officer John Jusseaume for his opening and closing cry, Second Assistant District Attorney Jennifer Sowa for her role as Mistress of Ceremonies and all the elected officials, community leaders, members of the clergy and the general public for their attendance today.

And congratulations to both DA Quinn and the entire prosecutorial staff, who were also sworn in this afternoon by Judge Pino. It was a great day!"-Bristol County District Attorney's Office.
