

Bristol County Sheriff's Office holds first annual Autism Awareness Day event

"WOW! We're at a loss for words to write after the smashing success we had at our first annual Autism Awareness Day event.

People came from near and far to pick up the Safety Seat Belt Covers and we got so many positive comments that it warmed our collective hearts. We truly want to say thank you to everyone who came by or supported us in any way, especially our staff who purchased around 200 patches to raise funds for The Arc of Bristol County's autism services.

What an amazing day! Thank you so much everyone!!!"-Bristol County Sheriff's Office.
