

Bristol County Sheriff's Office join forces with the New Bedford Police during food box distribution

"We had a blast helping our friends at the City of New Bedford Police Department (Official) during food box distribution on Saturday morning.

Thanks to Sgt. Ortega and the team at Massachusetts Military Support Foundation Inc. for getting food into the hands of our neighbors in need.

Anyone interested in a food box can register at this website with the next pickup day set for April 3: <https://mmsfi.org/farmers-to-families/>"
