

Bristol County Sheriff's Office mourns loss of Fran Haddocks

"It breaks our heart to announce the recent passing of Fran Haddocks, a dear member of the Bristol County Sheriff's Office family.

Fran started as a Corrections Officer and worked his way up to Superintendent over his almost 40 years here, and although he officially retired years ago, he was a frequent face around the BCSO and a friend to many. "Fran gave each of us who worked with, and for him, the opportunity to learn and grow professionally through his guidance and compassion," Sheriff Hodgson wrote while informing the staff of Fran's passing.

Please keep the Haddocks family, especially Maj. Belinda Bulgar, Donna Robertson, Marcel Canary, Maj. Scott Rose and K9 Officer Brennan Bulgar, in your thoughts."-Bristol County Sheriff's Office.
