

Brodeur & Sons Announces New Fuel Delivery Options for Those on a Budget

During the covid-19 crisis BRODEUR & SONS will deliver fuel oil in short deliveries of 50-75 gallons with NO DELIVERY FEES. With cold and chilly weather in the forecast its important that you keep your homes warm and stay healthy! By allowing their customers to purchase in smaller quantities, this will let folks stretch their budgets. Home Heating Oil prices are at seasonal low and the lowest in several years, take advantage of an opportunity to top off your tank or get you through the spring!

A complimentary tank inspection is required for new clients, payment will be cash or credit card only. **We are all in this together.** Please call 508-995-5151 to schedule your delivery or emergency service, gas or oil. Please share so that anyone who needs to fill their tank knows that these budgeting options are available to them.

Brodeur & Sons has been reliably delivering home heating oil for 91 years, since 1929! They offer competitive prices for on-demand and automatic delivery schedules.

If you are a first time oil delivery customer, please call our office to arrange your delivery, we will provide you with a complimentary tank inspection (required by our insurance company) insuring that your oil storage system is safe and up to Massachusetts Code.
