

Care Free Homes will kick off their 2nd annual roof giveaway

Care Free Homes, a local home improvement contractor, will kick off their 2nd annual roof giveaway, **No Roof Left Behind**, on Sunday, August 21, 2016.

□No Roof Left Behind, a national program, partners with local contractors to give a free roof to struggling homeowners. Care Free Homes will install a GAF Timberline HD Roofing System at absolutely no cost to one deserving homeowner in Bristol County, Massachusetts.

Whether it is someone who lost their job, a family struggling with medical expenses, or a single parent working to make ends meet – Care Free Homes wants to hear their story.

Family, friends, and neighbors are invited to nominate a homeowner starting August 21, 2016 through September 10, 2016. Care Free Homes will select four finalists from the nominees and the community will vote online to choose the winner. Voting begins September 15, 2016. The winner will be revealed on September 26, 2016.

Thanks to a community partnership with United Way of Greater New Bedford and other local businesses, Care Free Homes' No Roof Left Behind program was a huge success last year.

"United Way of Greater New Bedford is excited to partner with Care Free Homes on the No Roof Left Behind initiative. It is a tremendous opportunity to help a family in need and make a difference in the lives of local people." said Michelle N. Hantman, President & CEO of United Way of Greater New Bedford.

Members of the community can learn more about No Roof Left

Behind or nominate a deserving homeowner by visiting **www.carefreehomescompany.com**.

Businesses or organizations interested in donating their products or services to the No Roof Left Behind finalists or winner can contact Care Free Homes Marketing Coordinator, Stephanie Pickup, by calling (508) 997-1111 Ext. 105 or by email **stephanie.pickup@carefreehomescompany.com**.
