

17 Things To Do This Weekend (July 18-July 20)

This weekend will be very similar as last weekend in terms of temperature and clouds. While there will be no rain, there will be humidity. We'll reach a low of 55 degrees – which is great for sleeping – but temperatures will hover around 80 degrees throughout the weekend. So, get out there and enjoy the many goings-on in the South Coast and beyond!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide? Contact info@newbedfordguide.com for more details. Have an event to add? Check out our tutorial. For more info, you can click on each title. Know of another event this weekend? Post a reply!
