On 20 April, New Bedford Guide started its first ever photo contest. Dozens of amateur and professional photographers submitted 157 photos with the hope of winning the cover photo on New Bedford Guide's Facebook page. There is one overall winner for the Southcoast, MA and also winners for Dartmouth Guide and Fairhaven Guide photo covers. The full gallery with all submissions can be seen on the Facebook contest gallery. Our next contest will start this Friday, 11 May and will include a \$200 cash prize sponsored by South Coast Architecture. Details coming soon! If you are a photographer you should become a member of our Southcoast, MA Photographers Group on Facebook.

Here are the top results for Fairhaven, Dartmouth and the South Coast, and the winners of the contest.
