

Meet Kita The Lighthouse Animal Shelter Pet Of The Week

Each week we will spotlight a new animal from the Lighthouse Animal Shelter in New Bedford. This is made possible by **NEW LEAF** of Fall River. You can visit them at: <https://www.newleafcanna.com>

Kita is a spunky, energetic girl with a pure zest for life. She is up for any adventure. If you're looking for a hiking partner, Kita is ready! Her favorite activities outdoors are chasing after toys, playing with her canine pals, and showing affection toward the humans!

Kita is a confident, outgoing girl who has never met a stranger. She is excited to be meet anyone new and may greet you with a big hug (or several hugs). Being an excitable, young pup, she'll need to work on her manners.

Although Kita is quite the pogo stick when out in the yard with a dog friend, if you spend one-on-one time with her, she is receptive to manners training. She is ready to make her humans happy!

She is around 1 year old and is about 35-40 lb. now but she is underweight so she will weigh more.
