

# **Couto Construction is hiring sales associates, carpenters and siding installers in New Bedford**

Couto Construction is seeking highly motivated people to join our fast-growing sales team. We're hiring both a sales manager and sales associates.

Are you disciplined and driven to succeed? We want you! No sales experience needed. We have a world-class training system that has proven itself time and time again, and it starts with honesty and respect for the customer. We're a five-star company, and a big part of that is our outstanding reputation for customer satisfaction. Not interested in sales? We're also growing on the production side.

Couto Construction is in need of a roofing quality control representative (needs great attitude, must have great people skills, motivated, organized, must have driver's license), as well as carpenters, carpenter apprentices and exterior siding installers (in-house training, transportation to and from job sites, must work well with others).

**Call us today at (508) 509-4414 or email your resume to [info@coutoconstruction.com](mailto:info@coutoconstruction.com)**

About us:

Couto Construction was founded in 1987 as a family business and remains one today, run by brothers Jason and Derek Couto. The company specializes in roofing, siding and gutters, using top-notch materials while promising excellent craftsmanship. Couto Construction is the area's only Owens Corning Platinum Preferred contractor, is an Angie's List Super Service 2017 Award winner and maintains an A+ rating from the Better

Business Bureau. Along with older brother Brian, the quality control and project manager, the brothers pride themselves on reputation in the community. They learned from their father Gil, who founded the business, that a happy customer ensures a bright future for their business.
