

Community Input Session Planned for Custom House Square Project

The City's Office of Planning will host the second public meeting on the creation of a new urban park at Custom House Square.

The public is invited to join Stoss Landscape Urbanism and CDM Consultants for a presentation of the concept design for Custom House Square Park. This community input session is intended to solicit feedback so that Custom House Square can become a vibrant space that will serve the needs of our downtown for many years to come.

Tuesday, December 18 at 5:30 p.m. at the Corson Maritime Learning Center, 33 William Street, New Bedford.
