

Community Input Session for Custom House Square Project

Mayor Jon Mitchell and the City's Office of Planning will host a public conversation on the creation of a new urban park at Custom House Square. Join the Office of Planning, Stoss Landscape Urbanism, and CDM Consultants for the next step in the Custom House Square redesign process: a community input session intended to solicit feedback on draft designs developed by Stoss. We need your input to make Custom House Square a vibrant space that will serve the needs of our downtown for many years to come.

The meeting will take place on Monday, September 24th at 6 p.m. at the Corson Maritime Learning Center, 33 William Street, New Bedford.
