“Fire District 1 Chief Peter Andrade is pleased to announce the District has been awarded \$3,100 in SAFE grant funds provided by the State of Massachusetts and Department of Fire Services to support fire education training to students in Cushman and DeMello Schools and an additional \$1,910 in Senior Safe funding to support educating our seniors on fire prevention, general home safety and how to be prepared in the event of a fire.

We are proud of the hard work and dedication our team of SAFE educators provides year after year and we look forward to expanding that training into our senior community with the addition of the Senior SAFE grant.

Additional information will be made available as the program develops through cooperation with the Dartmouth Council on Aging.” -Dartmouth Fire District 1.
