

Dartmouth Police seek public's help identifying "Rico Suave who boosted a diamond ring"

"Calling all cAHs...Calling all cAHs!!!

Though it is said that "diamonds are a girl's best friend," I think that it is very important, particularly in this day and age, to be more inclusive of those boys out there who also have an affection to don some ice every-so-often. As was the case the other day, when Rico Sauve allegedly decided to boost a rather pricey diamond ring from a local merchant.

Though he boasts in his song that "there's not a woman that can handle a man like me," I dare to say that there's a police officer or two (female officers included), who would have no problem not only handling him, but also assisting him with trying on a couple of very nice bracelets to go with his ring ??♂???

If you have any information that can help us identify him, you are strongly encouraged to either send us a private message or call Detective Kyle Costa at 508-910-1755. In addition, you can also submit an anonymous tip by clicking on the following link:
