

Dartmouth Police Department announces passing of K9 “Reaper”

“It is with a heavy heart that Chief Levesque and the members of DPD inform you of the passing of Officer Jared White’s former K-9 partner, Reaper, who passed away yesterday.

During his ten (10) years of service, Reaper was deployed on many occasions, including patrol functions, narcotics investigations, SWAT incidents, and demonstrations. Though all impressive, nothing on his resume’ could ever compare to the relationship, loyalty, and love that he had with Jared.

Rest easy Reaper. We know that the Rainbow Bridge is now well protected! ♥???”-Dartmouth Police Department.
