

# Dartmouth Police seek public's help in identifying "MMA wannabe" vandal

"Calling all cAHs...Calling all cAHs

Because we don't want to sweat out another long, drawn out investigation, DPD is asking that all of our faithful followers band together, in order to help us identify this MMA wannabe, who decided to punch and break a window at a local establishment, after having an argument with management.

If you have any information that can help us fulfill his dream of showcasing his mad skills in the Octagon, you can either send us a private message, submit a tip to us via tip411 (<https://www.dartmouthpd.org/resources/tip411-submit-a-tip/>), or call Detective Costa at 508-910-1755.

Thank you!
