

Dartmouth Police seeks “super sleuth’s” help in identifying woman who ransacked motel room

“Calling all cAHs...Calling all cAHs!

Because we are so darn good at our jobs, and because we have one of THE best crime analysts in the area helping us out 24/7, we haven’t needed much assistance with identifying suspects lately. However, with that being said, every so often we still need to call on all of our digital super sleuths, i.e., you, to help us catch a criminal ?.

Though we have already figured out that when this gem put on her Nike pants yesterday, she already had in mind that “Just Do It,” meant that “I’m going to break into a motel room and break just about everything in it, causing approximately \$1,000 worth of damage,” we haven’t quite figured out who she is...YET!

In an effort to help us remind her that the true definition of “Just Do It” means that we are going to do our jobs by catching her, we are requesting that anyone who knows who she is either send us a private message or submit an anonymous tip by clicking on the following link:
