

Dartmouth's Bishop Stang Senior Liam Santos to Play Soccer at Becker College

Bishop Stang Senior Liam Santos of Dartmouth signed a Letter of Commitment last week at Bishop Stang High School attended by his parents, Cheryl and Roy, sister, Danielle, and coach Nate Greene. This coming Fall, Liam will play NCAA Division III soccer for the Becker College Hawks.

Liam says that Becker "checked off all of the boxes" for him in terms of a college wish-list. The Hawks soccer program is in a rebuilding phase and Liam is excited about being a part of that process. He hopes that by contributing on the field and bringing in new players to the program he'll be "a part of a team that can gel and grow together". Liam is excited to join coach Brad Hosey at Becker and thanks Coach Nate Greene at Bishop Stang for all of his support. Liam is grateful for the lifelong friendships he has developed through his play with the Spartan team.

Liam wished to especially thank his family and his mom and dad for getting him interested in soccer and for their support throughout his many years of playing.
