

Dartmouth's Cravings Cafe & Cakery closes its doors

"Here are the last of my cakes to be done at 98A State Rd.

Feels strange saying goodbye to the place a called my second home for 11 years. Once again thank you to each and every one of you who stopped in for a coffee or ordered a cake.

Maybe you enjoyed our paninis or my favorite, the Morning Special, no matter why you walked through our doors I thank you with all my heart. It has been quite a journey, and I am looking forward to what is ahead.

Don't worry, I'll be working from home. Time to simplify!"
