

# Date Night is April 14th at Hibernia Pub

Date Night is back! After successful events at Catwalk and The Candleworks Restaurant, the folks at New Bedford Guide (<http://www.newbedfordguide.com>) bring you Date Night at Hibernia Irish Pub (109 William Street, New Bedford) on April 14, 2011. Date Night is a PERFECT event for singles to have a date and find love!

The following items will be given to the contestants that are selected:

- Two one-month memberships and two Private Training Clinics for Pinnacle Fitness
- Two \$25 Gift Cards to Fays Restaurant
- Two x 1 month memberships (w/ 30 min training session included) to Howland Fitness
- Four 30-minute Massage Cards to Aimee Bernier
- Eight Free Pizzas Cards from Domino's Pizza

Here's how Date Night works: a bachelorette asks questions, written in advance on cards, to three hidden bachelors. The same question is asked to each bachelor until time runs out. The bachelorette makes her choice based solely on the answers to her questions. This process is then reversed, with one bachelor and three bachelorettes. The winning couple then go on an instant date, with food provided by the hosting venue. In between each round of Date Night, gift cards and other prizes are given away through trivia questions.

Potential contestants are asked to answer the question: Why do you want to be on the show? Send an e-mail to [info@newbedfordguide.com](mailto:info@newbedfordguide.com), with at least two photos and a brief paragraph on why you would make a good participant on Date Night.
