

Don't miss this hidden gem at the 2023 New Bedford's Feast of the Blessed Sacrament!

Museum Café located in the cobblestone courtyard just south of the Museum of Madeiran Heritage is a gem that you most definitely will want to check out! This beautiful section of the museum grounds was finished a few years ago and reflects many of the patterned mosaic stone streets and walkways of the cities and towns in Madeira.

They will be open with **FREE** admission during the Feast of the Blessed Sacrament.
