

DPI to Host Public Meeting on Long Term Plan to Improve City Sewer and Drain Systems

WHERE:

City of New Bedford Main Public Library
Third Floor Meeting Room
613 Pleasant Street

WHEN:

October 27, 2016
6:00pm-7:00pm

The purpose of this meeting is to provide the public with an overview of the issues and planning process used to develop recommended sewer and drain system improvements. Projects and associated benefits will be discussed with the opportunity to provide comment. If you need additional information, require special accommodations to participate in the meeting, or if you need meeting material in accessible format, please contact Zeb Arruda or Manuel Silva at New Bedford DPI at 508.979.1550 by Tuesday, October 25, 2016.
