

# Ducks run over and left suffering in the road in Freetown

"My first call out this morning was for ducks that had been run over and left in the road. I want to thank the people that moved them out of the middle of the road so that they didn't get hit again while they slowly all passed away. Thank you for your kindness.

To the person that ran them over and drove away, karma will find you.

The Animal Control number (508)-386-8227 is posted everywhere, or call the police station and they can get me as well. There was no reason to leave them suffering in the roadway. ?

If anyone has any information on who may have done this, please call and report it." -Freetown Animal Control.
