This year's show will be held at UMASS DARTMOUTH in Lot #15. Due to Empire Ford's tremendous success, we've run out of room to host our car show at the dealership, so we are moving it to UMASS Dartmouth where there's plenty of room! The first 100

entrants will receive free dash plaques. There will be free door prizes as well as entertainment by Johnny Angel. This event is a great place to take the whole family and see some classic cars and Ford favorites. From generations of Ford Mustang models that continue to capture our hearts to this day to other Ford models that became iconic over the years. If you enjoy cars and you want to see some of the best that the SouthCoast area has to offer, we invite you to join us from 9AM to 3PM for our Mustang and All-Ford Car Show!

For more information or to register for the show, go to [EmpireFordofNewBedford.com](http://EmpireFordofNewBedford.com). or email [info@mustangsofmassachusetts.com](mailto:info@mustangsofmassachusetts.com). We hope to see you there!
