

Faces Of New Bedford — #03: Marcus Cusick

Meet Marcus Cusick, a recent graduate from the Fine Arts program at the University of Massachusetts Dartmouth.

Here he is pictured preparing for the Seaport Artwalk, where he had several sculptures installed and a large mural of a lobster claw. When asked what it was about New Bedford that inspired him and his art his reply was the culture. “I mean, look at downtown, there’s a Mexican place down the street from a Portuguese place, down the street from a Thai place, next to a Dominican place.”
