

UPDATED: Fairhaven-New Bedford bridge closed indefinitely

UPDATE: The Fairhaven-New Bedford bridge is back open for service.

“Route 6, between Route 18 in New Bedford and Main Street in Fairhaven, will remain closed to bridge traffic until further notice.” -Massachusetts Department of Transportation.

“The New Bedford/Fairhaven Bridge is having some technical difficulties at the moment. Any travelers to and from Fairhaven should be advised to use Route 195.

Coggeshall/Howland is extremely congested. We will update once we have further information.” -Fairhaven Police Department.
