

# Family seeks public's help in finding missing New Bedford woman who may be in danger

"My sister Amber Snow has been missing for several days now. She is a danger to herself and possibly with someone who is dangerous.

She is tall and slender, about 5'7"/5'8". She has light blonde hair and blue eyes. She has facial piercings. Snake bites. Septum and nose. She has a half sleeve of a Native American woman tattooed on her arm. She wears crop tops a lot.

She disappeared one morning without a trace. We haven't received any phone calls from her at all. We are worried something horrible happened.

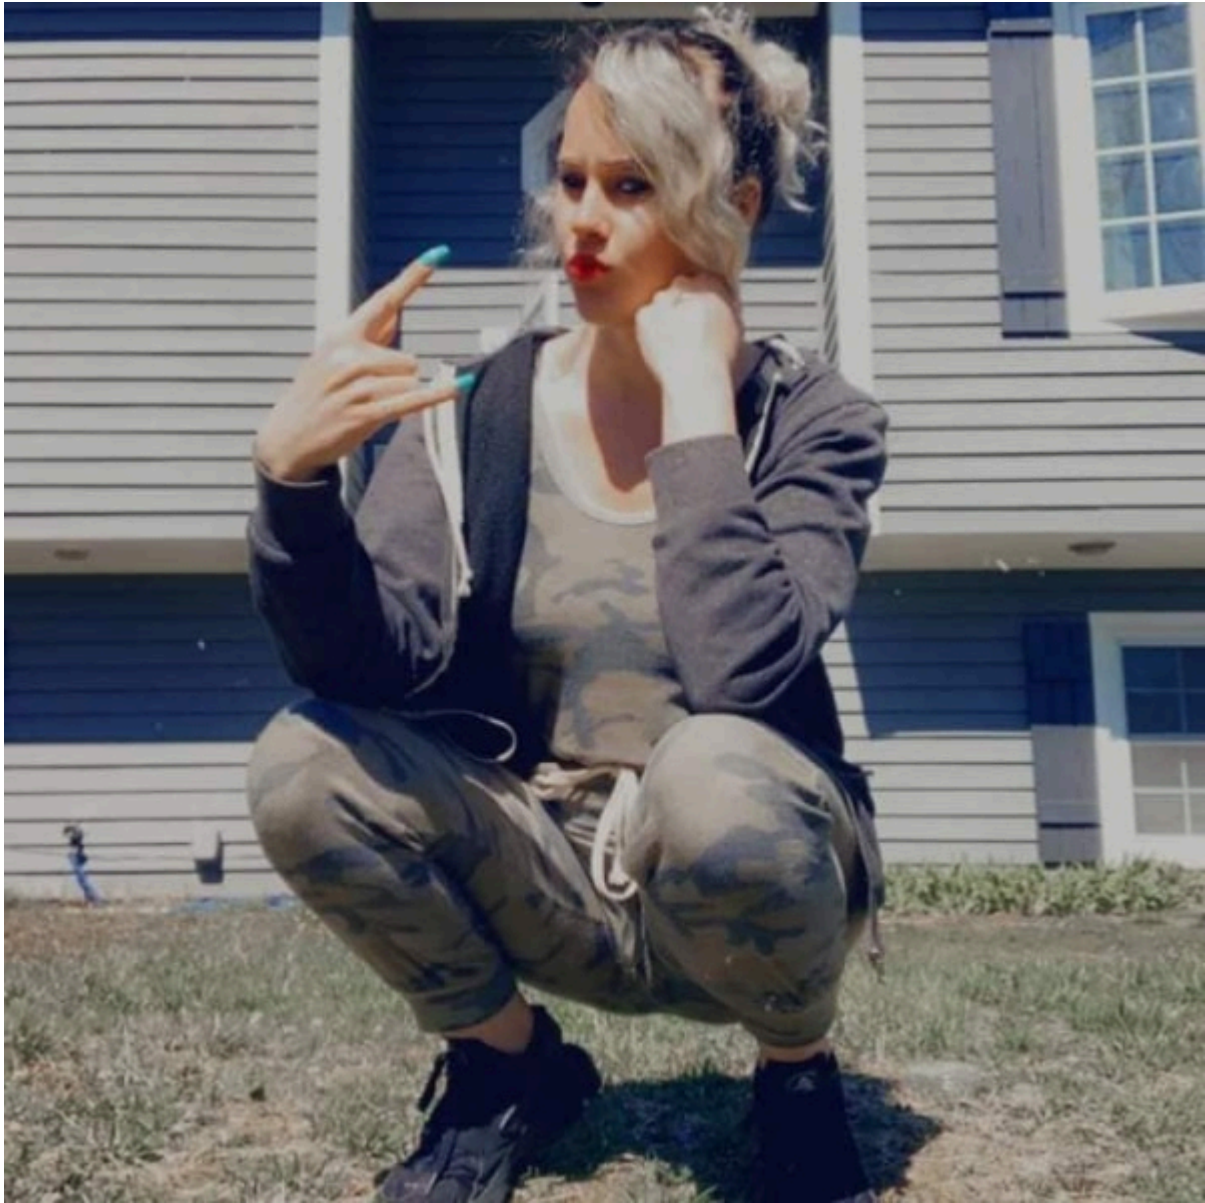

Please share, call the police or my mother at 508 990 9937 if she is seen. Thank you."-Kara Snow.
