

Family seeks missing teen who may be somewhere between New Bedford or Fall River

"I had to file a missing person's report. My son has been missing since the night before last. He left in a maroon car with a few kids.

One might be a girl named Emma. He's wearing navy blue joggers and a grey Nike Hoodie and white 'airforces.' There's also a possibility that he may be in New Bedford.

If anyone knows Emma or sees him, please message me ASAP or call the Fall River Police Department at (508) 676-8511."
