

Four graduate from Bristol County Sheriff's Office's Public Safety Leadership Academy training course

Congratulations to Sgt. Christine Fortin, Capt. Robert Perry and Lt. Shawn Costa for completing the week-long Public Safety Leadership Academy training course with our partners at the City of New Bedford Police Department (Official) this week.

They are pictured with instructor Capt. Eric Murray of the Connecticut State Police. Sgt. Fortin, Capt. Perry and Lt. Costa are three of the best the BCSO has to offer and we couldn't be more proud of them for completing this valuable training.

Thanks to the NBPD for hosting. Great job team.
