

# Four gunshots detected near Boa Vista towers

This morning at approximately 4am a ShotSpotter activation registered 4 shots being fired in the area of the Boa Vista towers located at 134 South Second St.

Upon arrival officers observed 4 shell casings in the area and a window at the towers had been struck by the gunfire. It appears at this time that several males may have been fighting outside the building when the shots rang out.

This case is currently under investigation by Det. Paul Fonseca. Anyone with information can reach him at 508-991-6300 ext. 135
